13 Rivers Trust is an energetic and dynamic charity which focuses its work around needy individuals, young people and communities excluded from mainstream society.

We are seeking to recruit a Sessional Worker to provide Programme Support to the Eden Care UK Befriending Programme and Providing End of Life support. The successful candidate will look at ways to expand our current work and be a part of transforming the lives of individuals and leaving lasting legacies.

You will support the Befriending and Volunteer Manager in organising and keeping all befrienders list up to date. You will register participants and volunteers in line with GDPR policies. You will also support with achieving long-term sustainability of Eden Care UK through fundraising activities and events.

If you feel you are the right candidate, please submit your CV via with a two-page personal statement indicating why you are the best person for the above role to Usama.kayani@13riverstrust.co.uk

If you wish to have an informal chat about the vacancy please call 07828 330 543. Closing date for completed application forms: **Monday 11th January 2020 at 12pm**. Interviews are scheduled for shortly after the closing date.
